

Ceremony Suggestions Repertoire

Diamond Strings invite the bride and groom to choose their own wedding ceremony music. Four songs are usually selected for the **Processional**, **Signing the register** and for the **Recessional**, however you may select as many or as little as you would like to be played through your ceremony. Parts of the ceremony complemented by musical accompaniment include:

- *The Processional.* The entrance of the bride and bridesmaids. **1 song**
- *Ceremonies.* For example: Communion, Candle lighting, Sand ceremony, Dove Release. **1-2 songs** (*depending on the length of the ceremony*)
- *Hymns.* (*Hymn accompaniments need to be specially requested*)
- *Signing the register.* **2 songs**
- *The Recessional.* When you walk out and are congratulated. **1 song**

On the following pages you will find a selection of songs that Diamond Strings have found to suit wedding ceremonies and are popular for certain parts of the celebration. The divisions are only a guide however so feel encouraged to choose whatever would best suits you and the style of your ceremony.
